

bandboo

Car Excess Insurance

Driven by Bandboo

Peace-of-mind doesn't have to be expensive. Bandboo combines the 'cash back' benefits of mutual insurance with unprecedented transparency so clients will know exactly what they're paying for.

24,831 accidents that occurred in year 2016

The data doesn't lie, driving on the road carries some risk, regardless of whether or not you are the safest driver and still be a victim of someone else's negligence, accidents can happen on our congested roads.

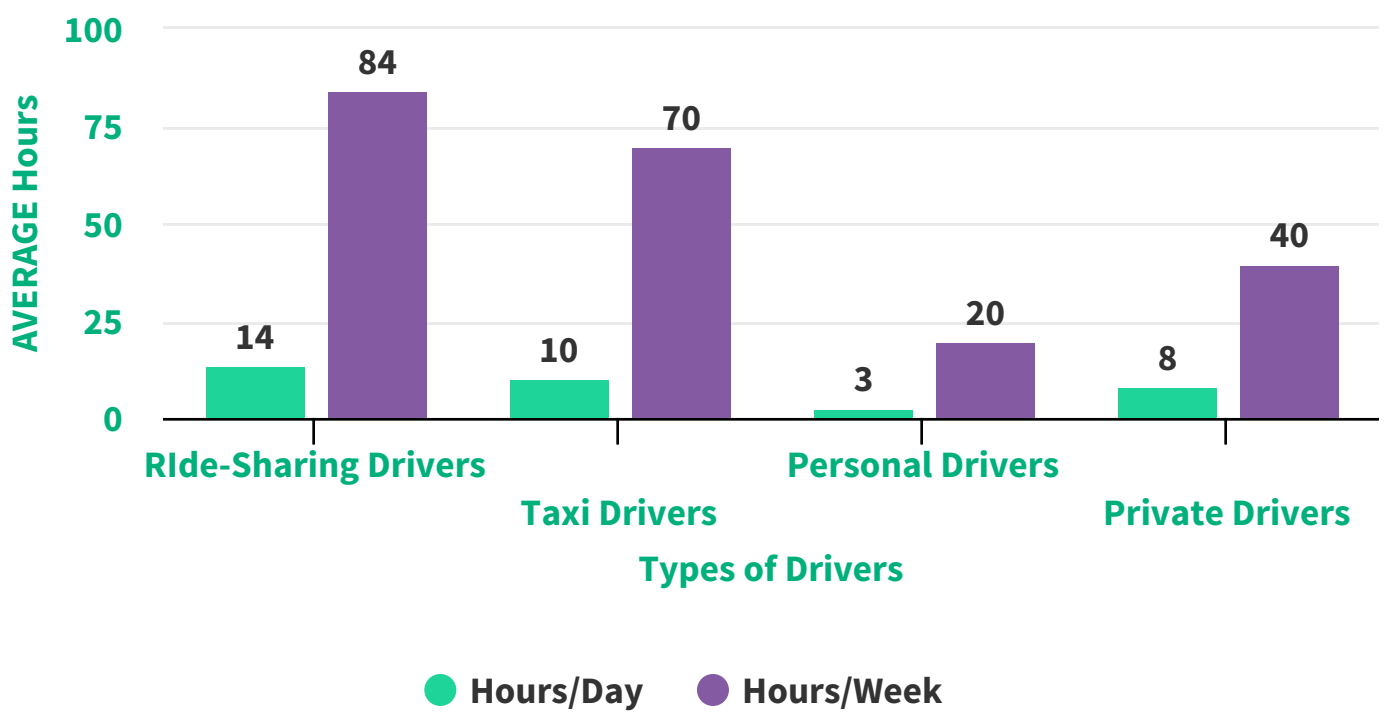

Total private vehicles (blue) Total Accidents (orange)

HOURS spent on the road daily by drivers

More hours on the road means more at risk of getting into a road traffic incident

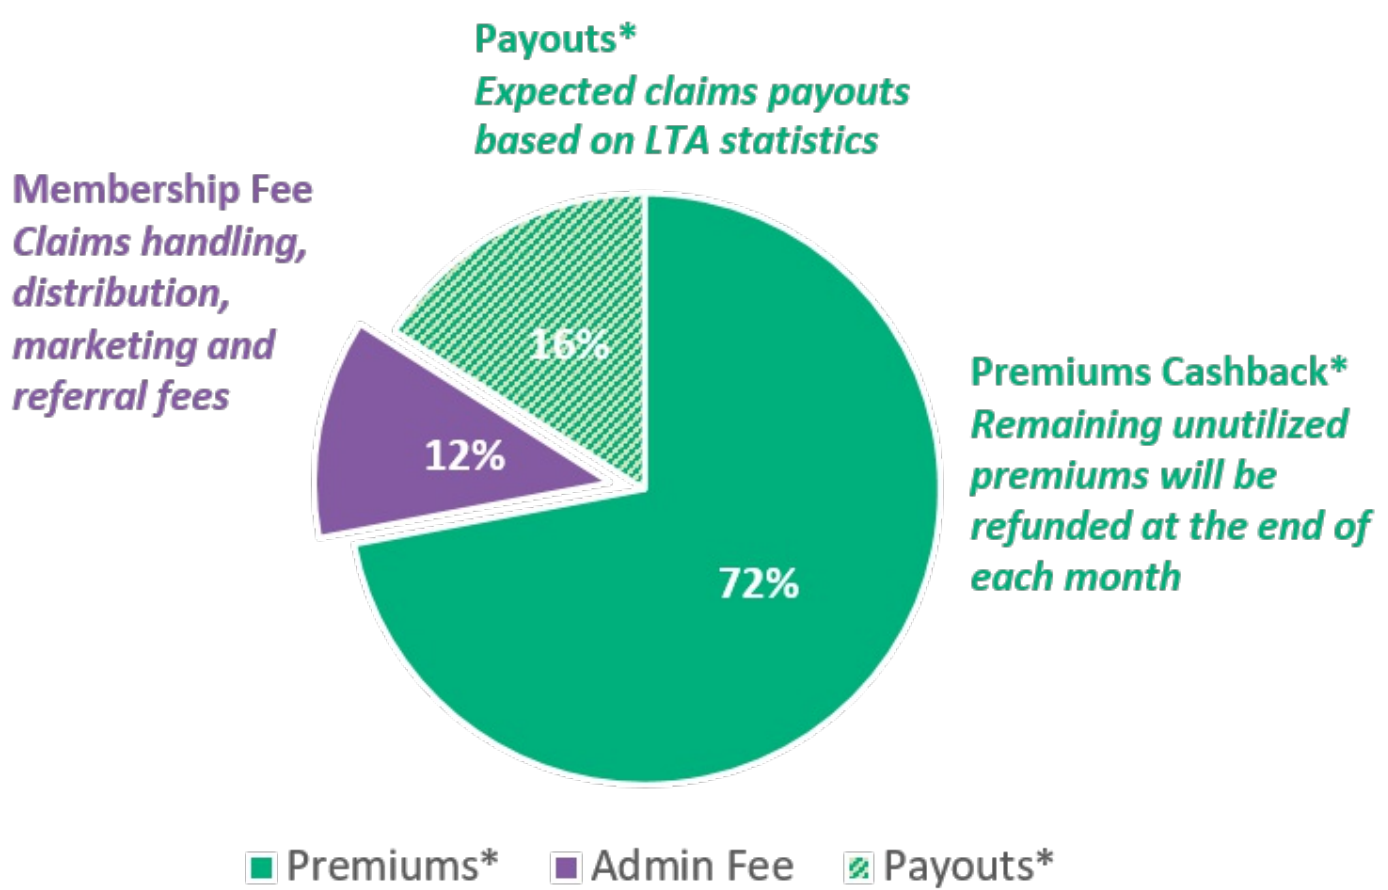

Hours spent Driving

Here is how it works

We want to offer you peace of mind to let you focus on driving, we also want you to enjoy coverage at the lowest cost possible.

Pricing Structure

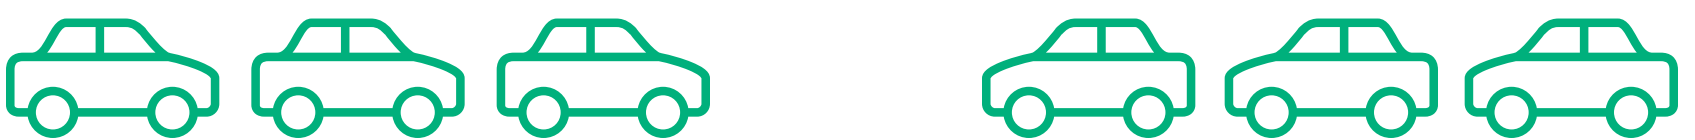

ZERO Excess vs \$4,000 Excess

Enjoy Peace-of-mind with Zero Dollar Excess coverage. To safeguard the community, claims during the first three month probation period will incur one time penalty charge.
